THE PLEASURE on shall have in meeting the patrons of the old stand and welcoming the many new ones we expect to see will be exceeded only by the happy countenances of those who call, at the extraordinary reduction we have made on prevailing prices.

THE FIRST PRINCIPLE

Of all successful hasiness enterprises has been in establishing a reputation, and success as a natural consequence must needs follow. We have this principle before us as an example, and propose to faithfully carry out our plans. When we say a thing we shall abide by it. WE OFFER NO prizes, nor houses nor lots, nor do we have any damaged goods by fire, water or otherwise. All species of Peter Funk games are a direct imposition on the public, and every dollar spent to promote them comes out of the pocket of the victim. We prefer to spend our money in the interest of our customers, and offer as a counter attraction to such schemes.

To our regular customers comment is nunecessary; to others we wish to state that it is our custom at this season of each year to have a sale of this kind, for the purpose of effecting a thorough clearance of stock before Spring. This sale will be found in every respect a bona fide transaction.
